CPSC:480 SWE Team Participation Survey

Each group member should fill one of these out with their name for each group project and submit within 48 hours after the project due date. Additionally, you may submit a partial report (anonymously or not) at any point during a project if you feel it is warranted based on team members' contributions.

1) Group Name: _____

2) What was your biggest contribution to this project?

3) Did you meet teammates' expectations? Where did you fall short? Explain

4) How do you feel about the team's project, results, and overall performance?

5) Rate each member's contributions & degree to which they met expectations:

0–None, 1–Severely missed, 2–Fell short, 3–Satisfactory, 4–Outstanding, 5–MVP

Name	Contribution	Expectations

6) On the back, please list any concerns with the team you would like to present.

If you feel any team member does not deserve credit for the team grade, explain.
